COURSE EXPECTATIONS

Graduate Students in the UNM School of Public Administration are presumed to be adult learners who are taking PADM 590, Health Care Quality Management, to improve their knowledge and leadership capabilities. Students are expected to regularly attend classes, actively participate and contribute to a shared positive learning experience. Reading of assigned materials will be critical for successful learning. If unusual circumstances require you to miss a class, please send an explanatory E-Mail before the class to Ron Aldrich, Adjunct Professor and watch the missed class on VOD.

GRADING SYSTEM

Final Grades for PADM 590, Health Care Quality Management, will be based 30% on Class Participation, 30% Mid-Term Exam, and 40% Final Exam. Exams will be Essay Questions which will provide the Students the opportunity to demonstrate both learning and integration of knowledge. Students will select five of eight essay questions to answer on each Exam and will follow the Exam schedule established by Ron Aldrich, Adjunct Professor and announced in advance.

ACCOMODATION STATEMENT

In accordance with University Policy 2310 and the Americans with Disabilities Act (ADA), academic accommodations may be made for any Student who notifies the Instructor of the need for an accommodation. It is imperative that you bring the needs to the Instructor's attention, as she or he, are not legally permitted to inquire. Students who may require assistance in emergency evacuations should contact the Instructor as to the most appropriate procedure to follow. Contact the Accessibility Resource Center at 277-3506 for additional information.

ACADEMIC INTEGRITY STATEMENT

Each Student is expected to maintain the highest standards of honesty and integrity in academic and professional matters. UNM reserves the right to take disciplinary action up to and including dismissal, against any Student who is found guilty of academic dishonesty or otherwise fails to meet the standards. Any Student judged to have engaged in academic dishonesty in course work, may receive a reduced or failing grade for the work in question and/or for the course. Academic dishonesty includes, but is not limited to, dishonesty in tests, exams or assignments, claiming credit for work not done or done by others, misrepresenting academic qualifications, and non-disclosure of misrepresentations to the University.
